

10000

Polyamide Foot, Stainless Steel Screw, Articulated

Sphere glass reinforced polyamide base with an articulated AISI 304 stainless steel screw. The spindle is made from hexagonal bar

STRENGTHS

30° Wide articulation, stainless steel screw, hexagonal wrench

APPLICATIONS

General all-purpose product, with focus on applications where stainless steel is mandatory

CODE	10000
SIZE (F)	M8x1,25
FLOOR DISTANCE (A)	27
STEM LENGTH (B)	25,00
BASE SIZE (D)	40
BASE LENGTH (G)	16
TOTAL HEIGHT (H/H1)	52,00
REGULATION (SW)	HEX 12
TREATMENT	TURNED
WEIGHT (gr)	34
LOAD (Newton)	10000
